# Victorian Collection

Our 'Victorian Collection' comprises many of the abundant different styles of the Victorian period. All of which are known for their ample ornament, decoration and curving. The craftsmen of the Victorian era choose mahogany as their preferred timber, just as we do today. Our carvings, (all of which are done by hand), dovetail joints and solid brass hardware, emulate the best quality pieces created by those craftsmen. Relive the grandeur and majesty of a by gone era with our 'Victorian Collection'
